

21st Annual Cochrane Colloquium Pocket Program 19 – 23 September 2013

Please see the full program book for complete details. It is available electronically only:

- online at colloquium.cochrane.org
- on the USB flash drive provided upon check-in
- as an app for download at eventmobi.com/cochrane2013

Indicates simultaneous translation available; English-French

Thursday 19 September

(Detailed schedule for internal Cochrane business meetings available here: <http://bit.ly/13fUfgH>)

1200-1530	Registration/Check-in open	Fourth level, main hallway
1530-1700	Newcomers' Session	Amsterdam 303 A
1800-2100	Welcome Reception	Musée de la civilisation, 85 Rue Dalhousie

Friday 20 September

0700-1700 Registration/Check-in open Fourth level, main hallway

0700-0815 Meetings

Meeting	Restriction (if any)	Room
Cochrane ENT/AAOHNS Cochrane Scholars	Closed	São Paulo 205 B
Consumers and Communication Review Group Editors' Meeting - Part 1	Closed	Amsterdam 303 A
DECIDE: coverage decisions about medical tests	Closed	Adelaide 302 B
Evidence to policy in graduate programs	Closed	Melbourne 204 B
Managing Editors' Executive - Part 1	Closed	Rome 304 A
Neonatal Review Group Annual Meeting	Open	Barcelona 204 A
Relative risk, odds ratio and hazard ratio - how to report these effect measures	Open	Cape Town 304 B
Training Working Group	Closed	Dublin 205 A
Trials Search Co-ordinators' Executive Meeting - Part 1	Closed	Madrid 207

0700-0815	Poster Set-up 1: Meet the Entities	Ottawa 200 C
0830-1000	Opening Ceremony and Plenary I: Better knowledge for better health: Effectiveness and Efficiency	Québec 200 AB
1000-1030	Refreshment Break; Meet the Entities poster viewing; and Exhibitors	Ottawa 200 C

1030-1200 Concurrent Session A

Special Sessions

Title	Room
1.01 Wikipedia meets Cochrane: working to get better evidence into mass use	Baltimore 303 B
1.02 Preventing Overdiagnosis – can Cochrane and systematic reviews help?	Stavanger 203

Oral Sessions

Topic	Room
O1.01 Online tools for dissemination and communication	Oxford 301 A
O1.02 Publication/reporting bias	Singapore 206 A
O1.03 Statistical methods - Intention-to-treat	Keystone 206 B
O1.04 Conflicts of Interest	Hamilton 301 B
O1.05 Searching and information retrieval - Session 1	Amsterdam 303 A
O1.06 Investigating bias - Session 1	Lyon 202
O1.07 Accessing and disseminating Cochrane evidence	Québec 200 AB 

Workshops

Title	Room
1.01 [Consumer Stream] Making sense of scientific evidence: how consumers can contribute to Cochrane Reviews - PART 1	Rome 304 A
1.02 Establishing a Cochrane roadmap to data models for asking relevant clinical questions and finding the best answers individually for each patient	Cape Town 304 B
1.03 [DTA Stream] Introduction to diagnostic test accuracy (DTA) reviews	Adelaide 302 B

1.04 Closing the gap between 'mean effect size' and data desired by decision-makers – exploring heterogeneity in complex interventions	Barcelona 204 A
1.06 Planning and conducting a Priority Setting Exercise for a Cochrane entity	São Paulo 205 B
1.07 Comparing multiple treatments: Intervention review or overview – Part 1	Dublin 205 A
1.08 How to include economics in Cochrane Review protocols: background, objectives, outcome measures and types of studies – Part 1	Freiburg 205 C
1.09 Calculation and interpretation of the number needed to treat (NNT)	Madrid 207
1.10 [Core] Using the new online GRADEpro to create Summary of Findings Tables ***In computer lab; no need for personal laptops	Oslo 302 A

1200-1330 Lunch Break

Auckland 400 B

1200-1330 Meetings

Meeting	Restriction (if any)	Room
Heart Review Group Meeting	Open	Barcelona 204 A

1300-1330

Meet the Entities Poster Viewing

Ottawa 200 C

1330-1500 Concurrent Session B

Special Sessions

Title	Room
1.03 Systematic Reviews and Guideline development	Baltimore 303 B
1.04 Getting to grips with complexity in complex interventions	Stavanger 203
1.05 Using Cochrane Reviews in policy agenda setting, choice and implementation	Singapore 206 A

Oral Sessions

Topic	Room
O1.08 International Approaches	Oxford 301 A
O1.09 Knowledge Translation and Communicating the Evidence - Session 1	Hamilton 301 B
O1.10 Outcomes	Lyon 202
O1.11 <i>Qualitative evidence</i>	<i>Moved to 21 September 1330-1500</i>
O1.12 Diagnostic Test Accuracy Review Methods	Keystone 206 B
O1.13 Evidence Packaging	Québec 200 AB 

Workshops

Title	Room
1.11 [Consumer Stream] Making sense of scientific evidence: how consumers can contribute to Cochrane Reviews - Part 2	Madrid 207
1.12 Searching for studies for inclusion in Cochrane Reviews	Amsterdam 303 A
1.13 Understanding, appraising and reporting systematic reviews that use individual participant data	Rome 304 A
1.14 [DTA Stream] Developing search strategies for systematic reviews of diagnostic test accuracy (DTA) (restricted)	Cape Town 304 B
1.15 Training for Managing Editors - Part 1 (restricted)	Adelaide 302 B
1.16 Introducing theory into systematic reviews: a discussion workshop	Melbourne 204 B
1.17 Comparing multiple treatments: Statistical methods for network meta-analysis - Part 2	Dublin 205 A
1.18 How to include economics in Cochrane Review protocols: searches, risk of bias and methodological quality, data collection and analysis - Part 2	Barcelona 204 A

1.19 PROBAST: An opportunity to pilot test a new risk of bias tool for prediction modelling studies	São Paulo 205 B
1.20 Assessing the risk of selection bias in a systematic review which includes non-randomised studies (NRS)	Freiburg 205 C
1.21 [Core] RevMan 5.2 for Cochrane Intervention review authors – How using all the new features can make life easier ***In computer lab; no need for personal laptops	Oslo 302 A

1500-1530

Refreshment Break; Meet the Entities poster viewing; and Exhibitors

Ottawa 200 C

1530-1700

Concurrent Session C

Special Session

Title	Room
1.06 Synergy of systematic reviews of animal and clinical studies: towards evidence-based translational medicine	Amsterdam 303 A

Oral Sessions

Topic	Room
O1.14 Cochrane structure and processes	Oxford 301 A
O1.15 Tools for Review Authors	Hamilton 301 B
O1.16 New tools of dissemination	Baltimore 303 B
O1.17 Methods for improving review efficiency	Stavanger 203
O1.18 Complexity	Lyon 202
O1.19 Investigating bias - Session 2	Keystone 206 B
O1.20 Using Cochrane Systematic Reviews	Québec 200 AB 

Workshops

Title	Room
1.22 Realist review: an introductory workshop	Adelaide 302 B
1.23 Search strategies and data sources for adverse effects reviews	Rome 304 A
1.24 [DTA Stream] Systematic reviews of diagnostic accuracy studies. Assessment of methodological quality.	Melbourne 204 B
1.25 Sharing evidence through Twitter	Cape Town 304 B
1.26 [Core] Introduction to meta-analysis: Basic ideas for novices - Part 1	Barcelona 204 A
1.27 Core outcome measures for randomised controlled trials and Cochrane Reviews	Dublin 205 A
1.28 Extending the assessment of outcome reporting bias to harms	São Paulo 205 B
1.29 Assessing the risk of within-study selective reporting in a systematic review which includes nonrandomised studies (NRS)	Freiburg 205 C
1.30 [Consumer Stream] The stats café (today's special: statistics for the terrified)	Madrid 207
1.31 [Core] Navigating <i>The Cochrane Library</i> ***PARTICIPANTS: Please bring your laptops to this session	Singapore 206 A
1.32 EROS dialogues with RevMan: data extraction, quality assessment and more ***In computer lab; no need for personal laptops	Oslo 302 A

1715-1830 Meetings

Meeting	Restriction (if any)	Room
CCDAN Meeting for Authors and Editors	Open	Madrid 207
Central Executive Team	Closed	Baltimore 303 B
Child Health Field Annual Meeting	Open	Dublin 205 A

Comparing Multiple Interventions Methods Group	Open	Keystone 206 B
Consumers Network (CCNET) Annual Meeting	Open	Cape Town 304 B
Equity Methods Group Open Meeting	Open	Adelaide 302 B
Gynaecological and Orphan Cancer Group Editorial Board	Closed	Singapore 206 A
Individual Participant Data (IPD) Meta-analysis Methods Group Meeting	Closed	Stavanger 203
Menstrual Disorders and Subfertility Review Group Meeting for Group Members	Open	Amsterdam 303 A
Nursing Care Field Annual General Meeting	Open	Hamilton 301 B
Occupational Safety and Health Review Group Meeting	Open	Rome 304 A
Pain, Palliative and Supportive Care Review Group Editorial Meeting	Closed	Barcelona 204 A
Pregnancy and Childbirth Review Group Meeting	Open	São Paulo 205 B
PRO Methods Group Business Meeting	Open	Lyon 202
Qualitative and Implementation Methods Group	Open	Melbourne 204 B
Risk of Bias Tool Extension for Non-Randomised Studies: CRG Network Meeting	Closed	Oxford 301 A
Screening and Diagnostic Tests Methods Group Meeting	Open	Freiburg 205 C

1900 Randomized Dinner (ticket holders only) *Please make your way to the restaurant indicated on your ticket by 1900*

Saturday 21 September

0700-1700 Registration/Information Desk Open

0700-0815 Meetings

Meeting	Restriction (if any)	Room
A3 (Lean) methodology for improving the diagnosis and treatment of cancer	Open	Rome 304 A
Anaesthesia Review Group Meeting	Open	Barcelona 204 A
ARI Group Editors Meeting	Open	Dublin 205 A
Collaborative working - Nutrition	Open	Keystone 206 B
Individual participant data meta-analysis for anticoagulation in patients with cancer	Closed	Amsterdam 303 A
Meta-Analysis, Complexity and Heterogeneity (MACH) Meeting	Open	Singapore 206 A
Methods Editors Meeting	Closed	Cape Town 304 B
MIF Risk of Bias Tool Non-Randomised Studies Project Methods Meeting	Closed	Freiburg 205 C
Prognosis Methods Group Meeting	Open	São Paulo 205 B
Public Health Review Group Editorial Meeting	Closed	Madrid 207
Rapid Reviews Methods Discussion	Open	Adelaide 302 B
Review Exchange (REx): a new approach to collaboration on the production of Cochrane Reviews	Open	Melbourne 204 B
US Contributors Meeting	Closed	Lyon 202

0700-0815 Poster Set-up 2

Ottawa 200 C
Québec 200 AB

0830-1000 Plenary II: Better knowledge for better health: knowledge users' perspectives

1000-1030 Refreshment Break and Exhibitors

Ottawa 200 C

1030-1200 Poster Viewing 2

Ottawa 200 C

1200-1330 Lunch Break

Auckland 400 B

1330-1500 Concurrent Session D

Special Sessions

Title	Room
2.01 Patient-Centred Decision-Making: Using evidence from bedside to health policies	Québec 200 AB
2.02 Scaling up/boosting the production of scientific evidence in low- and middle-income countries	Baltimore 303 B

Oral Sessions

Topic	Room
O1.11 Qualitative evidence (<i>previously scheduled 20 September 1330-1500</i>)	Capetown 304 B
O2.01 Review Methods	Oxford 301 A
O2.02 Skill development	Hamilton 301 B
O2.03 Individual Participant Data	Lyon 202
O2.04 New developments in training	Singapore 206 A
O2.05 Conducting risk of bias assessments	Keystone 206 B

Workshops

Title	Room
2.01 [Core] Introduction to meta-analysis: Meta-analysis of binary and continuous outcomes – Part 2	Rome 304 A
2.02 Methodological requirements for searching for studies for Cochrane Reviews: an update on the MECIR standards	Adelaide 302 B
2.03 [DTA Stream] Diagnostic test accuracy reviews: Introduction to meta-analysis	Melbourne 204 B

2.05 [Core] Interpreting results of Cochrane Reviews and Summary of Findings Tables	Dublin 205 A
2.06 Enhanced interrogation techniques - making Archie cough up the answers you need (restricted)	Barcelona 204 A
2.07 Ensuring Cochrane Reviews Drive Improvement in the Design and Delivery of Health Services	Freiburg 205 C
2.08 Using social media for effective communication with Cochrane stakeholders	São Paulo 205 B
2.09 Writing Complex Search Strategies ***PARTICIPANTS: Please bring your laptops to this session	Amsterdam 303 A
2.10 Going from evidence to dis-coverage decisions	Madrid 207
2.11 [Consumer Stream] Demystifying clinical trials and systematic reviews for the public ***In computer lab; no need for personal laptops	Oslo 302 A

1500-1530 Refreshment Break and Exhibitors Ottawa 200 C

1530-1700 The Cochrane Collaboration Annual General Meeting Québec 200 AB

1715-1830 Meetings

Meeting	Restriction (if any)	Room
Adverse Effects Methods Group (AEMG) Meeting	Open	Melbourne 204 B
African Cochrane Network Meeting	Open	Stavanger 203
Bias Methods Group Annual Meeting	Open	Adelaide 302 B
Cochrane Innovations Board of Directors	Closed	Rome 304 A
Cochrane Mid-Year Meeting & XII Iberoamerican Cochrane Conference; 31 March - 5 April 2014; Panama City, Panama	Closed	Dublin 205 A
Cochrane Register of Studies User Support Team Meeting	Closed	Barcelona 204 A
Cochrane Trainers' Network Meeting	Open	Keystone 206 B

Complementary and Alternative Medicine Field Meeting	Open	Hamilton 301 B
Consumers and Communication Review Group Open Meeting	Open	Oxford 301 A
Iberoamerican Cochrane Network	Open	Singapore 206 A
Italian Cochrane Network	Open	Freiburg 205 C
Methodological Investigation of Cochrane Reviews of Complex Interventions (MICCI)	Closed	Madrid 207
RevMan Advisory Committee	Closed	Cape Town 304 B
Systematic Reviews of animal studies in the context of translational medicine	Closed	Lyon 202
Tranexamic acid to reduce blood loss (EC11-341)	Closed	São Paulo 205 B
Web Team Meeting	Closed	Amsterdam 303 A
Wikipedia Editathon ***In computer lab; no need for personal laptops	Open	Oslo 302 A

Free Evening – Enjoy Québec City!

Option: Fundraising walk to benefit the Anne Anderson Award (see award description in full program for details).

Sunday 22 September

0700-1700 Registration/Information Desk Open

0700-0815 Meetings

Meeting	Restriction (if any)	Room
Agenda and Priority Setting Methods Group Open Meeting	Open	Madrid 207
Consumers and Communication Review Group Editors' Meeting - Part 2	Closed	Melbourne 204 B
Ear, Nose and Throat Disorders Review Group Annual Meeting	Open	Cape Town 304 B
Effective Practice and Organisation of Care Review Group Open Meeting	Open	São Paulo 205 B
Information Retrieval Methods Group Meeting	Open	Singapore 206 A
Methods Application and Review Standards Working Group	Closed	Barcelona 204 A
Non-Randomized Studies Methods Group (NRSMG)	Open	Lyon 202
Search Master Class for <i>The Cochrane Library</i>	Open	Rome 304 A

0700-0815	Poster Set-up 3	Ottawa 200 C
0830-1000	Plenary III: Better knowledge for better health: an Americas' perspective	Québec 200 AB 
1000-1030	Refreshment Break and Exhibitors	Ottawa 200 C
1030-1200	Poster Viewing 3	Ottawa 200 C
1200-1330	Lunch Break	Auckland 400 B
1200-1330	Meetings	

Meeting	Restriction (if any)	Room
Collaborative Working – Pain	Closed	Rome 304 A
Diagnostic Tests Support Unit Meeting	Closed	São Paulo 205 B
Prognostic Factor Systematic Reviews - PMG Working Group Meeting	Closed	Cape Town 304 B
Colloquium Policy Advisory Committee Business Meeting	Closed	Barcelona 204 A

1330-1500 Concurrent Session E

Special Sessions

Title	Room
3.01 Increasing access to trial data and the next generation of Cochrane Reviews: A panel and open floor discussion	Baltimore 303 B
3.02 Health Behaviour Change	Stavanger 203

Oral Sessions

Topic	Room
O3.01 Advanced Review Methods	Oxford 301 A
O3.02 Partner/knowledge user engagement	Hamilton 301 B
O3.03 Statistical Methods: Advanced - Session 1	Lyon 202
O3.04 Rapid Response	Singapore 206 A
O3.05 Heterogeneity	Keystone 206 B
O3.06 Shared decision-making	Québec 200 AB 

Workshops

Title	Room
3.01 Introducing the new Cochrane Handbook chapter on equity – methods for systematic reviews with a focus on equity	Amsterdam 303 A
3.02 [Core] Using MECIR standards in the interpretation and presentation of results in Cochrane Reviews of interventions - Part 1	Adelaide 302 B
3.03 [DTA Stream] Advanced meta-analysis – dealing with heterogeneity and test comparisons	Rome 304 A
3.04 Translating critical appraisal of a systematic review to meaningful peer review	Melbourne 204 B
3.05 Extending the Risk of Bias Tool to allow for assessment of non-randomised studies, cluster-randomised trials and cross-over trials: A Cochrane Methods Innovation Fund Project	Dublin 205 A
3.06 Helping Cochrane Reviews soar: a workshop to create a communication and dissemination strategy for every Cochrane Review	Freiburg 205 C
3.07 Addressing missing participant data in systematic reviews: Dichotomous outcomes - Part 1	Cape Town 304 B
3.08 [Core] Mastering the art of the plain language summary	Barcelona 204 A
3.09 [Consumer Stream] The wonders of randomisation workshop for consumers	São Paulo 205 B
3.10 Quality in reporting adverse events and the PRISMA Harms Extension	Madrid 207
3.11 Graphs to enhance understanding and improve interpretability of the evidence from network meta-analysis: a hands-on tutorial in STATA ***In computer lab; no need for personal laptops	Oslo 302 A

1500-1530 Refreshment Break and Exhibitors Ottawa 200 C

1530-1700 Concurrent Session F

Special Sessions

Title	Room
3.03 Developing evidence in a responsive approach	Baltimore 303 B
3.04 Research issues in the evaluation and design of interventions to improve outcomes for patients with multimorbidity	Stavanger 203

Oral Sessions

Topic	Room
O3.07 Challenges in Review Methods	Oxford 301 A
O3.08 Review Impact	Hamilton 301 B
O3.09 Future Tech	Amsterdam 303 A
O3.10 Statistical Methods: Advanced - Session 2	Lyon 202
O3.11 Global Health and Equity - Session 1	Singapore 206 A
O3.12 Reporting evidence	Keystone 206 B
O3.13 Knowledge Translation and Communicating the Evidence - Session 2	Québec 200 AB 

Workshops

Title	Room
3.12 Presenting evidence-based recommendations to patients and the public - what do people want and how should we provide it?	Rome 304 A
3.13 [Core] Using MECIR standards in the conduct of systematic reviews with emphasis on associated Common Errors - Part 2	Adelaide 302 B
3.14 [DTA Stream] Systematic reviews of diagnostic accuracy studies: interpreting results and drawing conclusions	Cape Town 304 B

3.15 [Core] Start strong: choosing your review topic and writing your topic proposal	Melbourne 204 B
3.16 Comments on Cochrane Reviews: approaches to managing feedback	Barcelona 204 A
3.17 Summarising evidence for harms in systematic reviews	São Paulo 205 B
3.18 Addressing missing participant data in systematic reviews: Continuous outcomes - Part 2	Madrid 207
3.19 Searching and tracking in the Cochrane Register of Studies (restricted) ***In computer lab; no need for personal laptops	Oslo 302 A
3.20 [Consumer Stream] Stakeholder/consumer engagement in systematic reviews	Dublin 205 A

1715-1830 Meetings

Meeting	Restriction (if any)	Room
AAOHNS Cochrane Scholars - introduction to systematic reviews	Closed	Hamilton 301 B
Canadian Network for Observational Drug Effect Studies (CNODES): Prospective meta-analysis of drug safety data from a distributed network	Open	Oxford 301 A
CerQual approach: Assessing how much certainty to place in findings from qualitative evidence syntheses	Open	Adelaide 302 B
Chalmers Award Committee - Meeting 1	Closed	Dublin 205 A
Consumers Executive Meeting - Part 2	Closed	São Paulo 205 B
Diagnostic Tests Support Unit Meeting	Closed	Rome 304 A
Fields Executive Meeting	Closed	Cape Town 304 B
Managing Editors' Executive - Part 2	Closed	Barcelona 204 A
Musculoskeletal Review Group Open Meeting	Open	Amsterdam 303 A
Ottawa Group Meeting	Open	Singapore 206 A

Primary Health Care Field: Updates, Discussions & More	Open	Freiburg 205 C
Public Health Review Group Priority Setting Meeting	Open	Lyon 202
Research dissemination for impact	Closed	Keystone 206 B
Trials Search Co-ordinators' Executive Meeting - Part 2	Closed	Madrid 207
Using ReGroup for Cochrane Reviews	Open	Stavanger 203

1800 **20th Anniversary Gala** Hyderabad 400 A
 Cocktail hour: 1800-1900 (fourth floor foyer)
 Gala Dinner: 1900
 Entertainment and Dancing: 2100 until . . .

Monday 23 September

0700-1700 Registration/Information Desk Open

0700-0815 Meetings

Meeting	Restriction (if any)	Room
Applicability and Recommendations Methods Group Meeting	Open	Madrid 207
Sexually Transmitted Infections Review Group Meeting	Open	São Paulo 205 B
Statistical Methods Group Meeting	Open	Cape Town 304 B
Trials Search Co-ordinators' Executive Meeting - Part 3	Closed	Rome 304 A

0700-0815 Poster Set-up 4 Ottawa 200 C

0845-1000 1st Annual Cochrane Lecture: Sir Iain Chalmers Québec 200 AB
 *Please note: Today begins 15 minutes later than the previous four days. 

1000-1030 Refreshment Break and Exhibitors Ottawa 200 C

1030-1200 Poster Viewing 4 Ottawa 200 C

1200-1330 Lunch Break Auckland 400 B

1215-1330 Meet the Editors (Open) Lyon 202
 (Please bring a lunch plate with you)

1230-1330 Meetings

Meeting	Restriction (if any)	Room
Chalmers Award Committee - Meeting 2	Closed	Barcelona 204 A

1330-1500 Concurrent Session G

Special Session

Title	Room
4.01 Translation of Cochrane summaries: a realistic and timely goal for the Collaboration?	Québec 200 AB 

Oral Sessions

Topic	Room
O4.01 Quality of Guidelines	Oxford 301 A
O4.02 Statistical Methods - Network Meta-Analysis	Hamilton 301 B
O4.03 GRADE and Summary of Findings Tables	Baltimore 303 B
O4.04 Mixed methods and realist reviews	Lyon 202
O4.05 Global Health and Equity - Session 2	Stavanger 203
O4.06 Editorial processes and supporting review authors	Keystone 206 B

Workshops

Title	Room
4.01 How to critically appraise qualitative research papers and prepare for data-extraction	Adelaide 302 B
4.02 Workshop for Managing Editors and Assistant Managing Editors (restricted)	Rome 304 A
4.03 [DTA Stream] Grading the quality of evidence and preparing summary of findings tables for diagnostic tests	Melbourne 204 B
4.04 [Core] Investigating and Dealing with Bias in Cochrane Systematic Reviews	Cape Town 304 B
4.05 Sharing participant-level clinical trial data in public repositories: what are implications for Cochrane Reviews?	Dublin 205 A

4.06 How to develop brief economic commentaries for Cochrane intervention reviews	Barcelona 204 A
4.07 Live the trial! An interactive method for learning and teaching trial design and risk of bias assessment	São Paulo 205 B
4.08 An introduction to systematic reviews of prognostic studies	Freiburg 205 C
4.09 [Consumer Stream] Consumer-led knowledge translation: leveraging patient networks to disseminate Cochrane Reviews	Madrid 207
4.10 Searching trials registers to identify studies for Cochrane Reviews (restricted) ***In computer lab; no need for personal laptops	Oslo 302 A
4.11 [Core] Introduction to meta-analysis 3: Dealing with heterogeneity	Amsterdam 303 A

1500-1530 Refreshment Break and Exhibitors Ottawa 200 C

1530-1700 Closing Plenary IV: Even Better knowledge for better health: The next 20 years Québec 200 AB 

Thank you for joining us at this event; please remember to complete your evaluation!

1730-1900 Meeting

Meeting	Restriction (if any)	Room
Colloquium Debriefing Meeting	Closed	Barcelona 204 A
